PROFILE SUMMARY

Ambitious and passionate Software Engineering student at Addis Ababa University, College of Technology and Built Environment (CTBE), with a current CGPA of 3.64. Committed to contributing to innovative software projects and growing as a developer in the tech sector through collaboration, adaptability, and continuous learning.

PROFESSIONAL SKILL

Collaborative teamwork

Problem solving

Communication skills

Critical thinking

Time management

TECHNICAL SKILL

Programming: Python, Java, JavaScript, TypeScript, SQL

Tools: MySQL, Git, GitHub, HTML, CSS

Web & Mobile App Development

Database Design, Operating Systems, Computer Architecture

EDUCATION

Addis Ababa University, Software Engineering
Addis Ababa, Ethiopia
Feb 2023 – Present

RELEVANT COURSES

Data Structure and Algorithm Analysis
Discrete Mathematics
Object Oriented Programming
Web and Mobile App Development
Networking and Cybersecurity
Artificial Intelligence

EXPERIENCE IN PROJECTS AND ACHIEVEMENT

- Contributed to the development and deployment of multiple web and mobile applications at Addis Ababa University, utilizing Python, Java, JavaScript, and SQL. Actively involved in design, coding, and testing while collaborating effectively within diverse project teams.

- Earned the Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate certification, gaining foundational expertise in artificial intelligence concepts and hands-on experience with Oracle's cloud platforms.

- Demonstrated leadership and teamwork skills by guiding group projects, fostering collaboration, and delivering solutions that meet project requirements and deadlines.
